# ABOUT US

The vision of the Burluson Church of Christ is to be a church that demonstrates **passion for God, commitment to the body**, and a **heart for service**. We believe these things to be vital points of emphasis for all Christians. First and foremost, we want all of our members to experience a love and passion for God that goes beyond any other love in their life. We want to be a place of commitment to the body of Christ as members connect with other Christians in relationship, worship to God, and the journey of life. Finally we want to be a serving Church full of people who have a heart for service. Through our passion for God, commitment to the body, and heart for service, we hope to join God in his redeeming work in the world.

# OUR COMMUNITY

Located on the southern edge of the Dallas-Fort Worth metroplex, Burleson has an estimated population of 48,950 residents. With excellent schools and convenient commute times, Burleson has become an increasingly popular place to live. Our town and the surrounding communities continue to enjoy rapid growth. While it's hard to call Burleson a small town anymore... it definitely still has a small town feel.

That's true of our church family, too. The Burleson church has grown and is no longer a small, one-town, church. We have members coming from all over (Joshua, Crowley, Fort Worth, Cleburne, Mansfield, etc.). However, even as our church family has grown in size, we have worked to maintain a family feel that is characteristic of a smaller congregation. This is important to us, and one of the things that we believe makes us unique. We have the resources and opportunities that come with being a larger congregation, but are always looking to "grow smaller." We want to truly know each other and be a part of each other's lives.

# HEART FOR SERVICE

Something that makes Burleson special is our Day of Thanks and Giving. It is the Sunday before Thanksgiving and is our big mission Sunday. All funds donated on this day go to local, regional & global mission works. In 2023, the goal was set at \$650,000, but the final total given amounted to \$775,919.

We also have an annual “Pack the Pulpit” event. We collect certain foods that are needed to fill the shelves at our local community service center.

BCOC Serves is a Saturday set aside in the spring to complete service projects within the community as a church family.

During the Holidays we collect food to provide Thanksgiving and Christmas baskets to families in need throughout our community. We also provide gift cards for Christmas gifts to families with children.

Each year, there are also several mission trip opportunities for all ages. We send at least two groups to Misión Para Cristo in Nicaragua each year.
